INTRODUCTION

SINCE 2003

Ceram Ara Industries Company (Public Joint Stock Company) was the largest producer of decorative and ornamental tile and ceramic products in the country and the top brand in terms of quality and quantity for producing decorative products in the country. The company's products were competitive in terms of quality with the world's leading manufacturers, including Italy and Spain.

By launching various research and development projects, including single-fired tiles and pool tiles, Ceram Ara was able to once again become a leader in the domestic and international markets. These developments have led to improved financial results and increased company revenue.

Ceram Ara Industries Company (Public Joint Stock Company) is the largest manufacturer and the best brand in the production of metro tile (single-fired) products in Iran in terms of quality and quantity. The company's products are capable of competing in quality with the best tile manufacturers in the world, especially Italian and Spanish manufacturers. The designs are inspired by nature and create a comfortable and enjoyable living space for the audience. We produce emotional and traditional ceramics using modern technology and in collaboration with all Ceram Ara employees, using a variety of designs, colors and collections, with a minimalist style. Ceram Ara's ultimate goal is to be the leader in the production of metro tile products in the world.

EXPRESS IN LITTLE FORMATS

TRADITION & INNOVATION

Designs and patterns that answer to current trends and whose technical characteristics make them usable in an endless number of applications.

CERAMARA'S TOP CHARACTERISTICS

- Wide variety of products (over 1000 designs annually)
- Powerful innovative designing team
- Knowledge upgrading
- Relying on specialized efficient manpower
- Innovation and focus on product quality
- Possibility of fulfilling the market needs

DECOR LOVERS

FROM THE IDEA TO THE FORM, INSPIRED BY PEOPLE

People are the main focus of our research and creative process.

We design pieces that create environments where people feel comfortable and where it is pleasant to live.

We take care and study each collection so that they can communicate and add value to each space. Each piece transmits a sensation, an emotional ceramic that unites inspiration, tradition, avant-garde, functionality, beauty, technology and sustainability.

MARBLE PRODUCTS

This Metro tile wall tile brings a re-fined, timeless look to kitchens, bathrooms, and shower areas.

marble look tiles are a popular choice for those seeking a classic marble look in their interior spaces. The gloss finish enhances the tile's light-reflective qualities, brightening interiors and adding a polished, high-end feel. The glossy surface makes the tile resistant to stains and easy to wipe clean.
